- Studying towards BSc (Hons) Computer Science
  - So far covering: Basic Java programming, Information Systems, Computer Systems, Managers and Organisations, Basic Networking and Maths.

## **Interests**

Computers, socialising with friends, music.

## **Skills**

- **Computing:**

I have working knowledge of Microsoft Windows and its applications including the Office suite. I also have basic experience in operating Unix and Unix-like systems from my time at university such as Debian GNU Linux and Sun Solaris, and I am confident in their use both from graphical displays and terminals. I have basic knowledge of Java programming.

- **Communications:**

While working at both Silwood Park Nurseries and Waitrose I improved my communications skills through carrying out customer facing work, especially during my time working checkouts at Waitrose where constant customer contact was a necessity.

- **Teamwork:**

While working at Silwood Park Nurseries and Waitrose I learned to work effectively in a team to meet deadlines and work efficiently.

## **Personal:**

- Born in Ascot, Berkshire on 1<sup>st</sup> September 1986, UK
- Full UK citizen
- Hold a Full, Clean UK driving licence
